YOU'D BETTER NOT BUT IF YOU GET LOST

While you are on a course a lot of strange and funny things can happen to you, for example, you will find a toilet in a local bar like a five-star hotel and decide to have arrest there, or just decide to get lost for a short time.

Anyway, always, at any time of day or night call the organizers.

If you are unable to do this, ask how to get to the "Poliana" or how to get to the KPI, our sympathetic people will always help you.
